We can't wait until next year's disco which will be even bigger and better.

UNIQUE STUDENT IDENTIFIER

All students doing nationally recognised training need to have a Unique Student Identifier (USI). This includes students doing Vocational Education Training (VET) when they are still at school (VET for secondary students). The USI will make it easier for students to record their VET achievements and ensure that students' VET records are not lost. If your student is completing any Certificate courses, they must have a USI. A parent permission form is available at the front office, or please visit www.usi.gov.au

BASKETBALL

On Friday 11 December at recess, the students will play the Mighty Staff team at Basketball, in the gym!!!! This will be a friendly match and a lot of fun!
