### ***ANZAC Assembly***

*Kiara College held its annual ANZAC Day assembly on Friday 19 April. The assembly acknowledged the sacrifices generations of Australian men and women have made over the past 100+ years in order to preserve Australia's freedom and democracy. Wreaths were laid at the assembly by the Honourable Alannah MacTiernan, Federal Member for Perth; Mr Michael Wainwright, Mayor of the City of Swan; and by student councillors Austin Downey and Orshi Hadhazi. Students watched a slide show which outlined Australia's involvement in past and current conflicts. The flag was lowered to half mast by Year 10 student Scott Frost, a member of the Air Force Cadets. The ANZAC Assembly is always a solemn occasion and this year was no different. Our students certainly demonstrated their respect for those fallen and injured in the service of our country.*

### **Senator Pat Dodson Visits Kiara College**

TUESDAY, MAY 24, 2016

KIARA

Kiara College students and staff enjoyed an inspirational talk by indigenous leader Pat Dodson.

## Indigenous leader imparts inspiration

KIARA College students met indigenous leader Pat Dodson on Monday.

The Labor Senator spoke to 25 students from years 7-12 about the challenges he faced with adversity.

Kiara College principal Anne Robinson said students gained a lot from the visit.

"The Aboriginal kids, for them, he is one of those very special people they look up to," Ms Robinson said.

She said the school educated students about their culture and family history.

"They each went around and relayed where they were from, what their aspirations

were and what they were doing," she said.

"He gave lots of advice... things like 'never let anyone put you down' and 'realise that life is not always so rosy'."

She said he also advised students not to get caught up in things like skin colour as it was really irrelevant.

### ***Even more homework help in Term 2***

*Between sports, music lessons, appointments and clubs it can seem hard to find enough space in a student's busy schedule for their all-important homework and study.*

*That's why the school's popular YourTutor service will be open 7 days a week this May, including Saturdays (12pm-9pm AEST), to help our students with all their after-hours homework questions.*

*Students log in and get help instantly from live, professional tutors in English, Maths, Chemistry, Biology, Physics, Research and more. Fridays and Saturdays are staffed exclusively with English and maths experts only,*

*to serve the higher number of students seeking help in those core subjects.*

### ***2016 Accounts and Subsidies***

*Thank you to those families who have paid their student's 2016 Contributions and Charges accounts. All moneys paid go toward purchasing valuable resources for our students.*

*Families who are entitled to **ABSTUDY** can apply through their local **Centrelink office**.*

*Parents requiring a payment plan to pay off your child's account, please contact the office.*
