Education for staff, students and parents in public schools. It provides teachers with a tool to deliver content to the students via an online classroom. This means your children will be able to share with you what they are learning about, submit assignments and discuss issues together online anywhere, anytime. For you, Connect provides easy access to information relevant to your child's classes and learning such as assessments, teacher feedback and attendance data.

Schools can use Connect to keep you updated with important information. Things like up-coming events, excursions, classroom activities, photos and stories can be sent to you via email or, if you prefer, via a push notification on your phone. Download Connect Now from the [Apple App Store](#) or [Google Play](#).
