"Nationally Consistent Collection of Data for School Students with Disability

Our school is part of a national project about students with disability and/or learning difficulties.

We have been asked to provide data about the number and learning needs of children at our school. The name of the school and the name of the students will not be reported. Information about the different types of needs and the programs and resources the school uses to overcome barriers and support children with special educational needs will be collected.

We believe it is important to contribute to this because it will help Governments and the Department develop better policies that acknowledge the level of resources needed in schools to meet the needs of all students in Western Australia.

Headspace School Support are delivering a parent
evening '**Supporting Wellbeing and Coping in
Young People**' over at Hampton SHS in a couple of
weeks in the evening **Wednesday the 9th of August at
7pm for 1 hour** (flyer attached). It will be a general
session for parents on supporting the wellbeing and
encouraging coping strategies in young people through
the teenage years. It will include some information
about what is normal and at what point parents might
take some action (i.e. information on indicators of
possible emerging mental health concerns which may
mean that their young person might benefit from
additional support).

I have attached a flyer, and a little bit of further
information is on our website

[http://www.hampton.wa.edu.au/supporting-wellbeing-
and-coping-in-young-people-headspace-parent-
information-evening-wednesday-9-august-7-00pm/](http://www.hampton.wa.edu.au/supporting-wellbeing-and-coping-in-young-people-headspace-parent-information-evening-wednesday-9-august-7-00pm/)

We would love to open up registrations for any parents
from neighbouring schools to attend if they are
interested to come.

We are booking registrations through our online SOBS
booking system (parents can use this system even if
they are not a Hampton Parent as it just requires an
email address) registrations are preferable just to make
sure we have enough cake. Instructions on how to use
SOBS is here [http://www.hampton.wa.edu.au/wp-
