PRINCIPAL'S REPORT

Thank you to the Kiara College community for your warm welcome in my start as the new Principal of the College. Parents and carers should be particularly proud of the students whose friendly and respectful greeting has been invigorating and positive. Thank you Mr Richard Kardol who has filled the acting role for the past 12 months. His dedication and care for the future direction of Kiara College has set in place a positive change.

This term commenced with a staff development day, and after meeting and working with the whole staff and visiting classes over the past two weeks, I have witnessed daily high quality teaching practice, care and empathy and good quality learning outcomes delivered by competent and dedicated staff.

The guiding mantra behind my leadership is "building on success," which acknowledges past good practice, whilst looking forward and seeking future continued growth and improvement.

Kiara College is placed favourably for future growth and expansion and we seek continued parent and community support to increase pathways and opportunities for our students in 2018 and beyond.

I wish students a successful and productive term and know that the support of parents, carers and community groups is vital in maximising your success.

Warm regards
GRANT BROWN

SENIOR BOYS FOOTBALL

On Wednesday our senior school boys took on a strong Perth Modern team to kick off our 2018 season.

After a tight first 15 minutes Perth Modern kicked away in the first half and to our boys credit they never gave in and scored 3 goals in the second half.

Our better performers were Captain Treidon Seibhur, Jayden Maskiell, Shannon Noble and Calais Seibhur.

Next week our Senior School boys play Joseph Banks at home and our Middle School team start their 2018 campaign away at Ellenbrook Secondary College.

Thank you to all the staff, students and families who came to support the boys.
